

# Club One Under Thursday Night Indoor Golf League Maximum 20 Teams

## Thursday Night Indoor Golf League – Maximum 20 Teams

### STARTS THURSDAY OCTOBER 24TH

Tee off at Club One Under, Twin Ports' newest and most innovative indoor golf simulator and sports bar!

#### **Players Per Team:** 2

**Format:** 2-Person BEST BALL. Teams will use the low NET score of their team for each hole.

**Example:** Derek scores a 6 on the hole and does not have a stroke, but his partner Rusty shoots a 6 on the same hole but has a stroke due to his handicap, his NET score would be a 5 so their team score for that hole is a NET 5. Triple Bogey is the maximum score a single player can earn.

**Scoring:** If your team wins the hole, you earn 1 point. A tie equals 1/2 point. The team that wins the match earns an additional bonus point.

**Majors:** There will be 3 events that will be considered a "Major". Teams will earn double the points for those events.

**Season:** October 24th through December 19th. 8 weeks of regular league play, followed by a playoff round.  
**Match Times:** Teams will play on Tuesdays and rotate time slots weekly – Sim times are booked Thursdays from 4pm-6pm & 6pm-8pm.

**Weekly Skins Game:** Each week, there will be an optional skins game for all players.

**Handicap:** We will use your existing GHIN handicap if available. If you do not have a handicap established, it is advised that you play at least 2-3 rounds on our simulators and provide us with your scores so we can establish a starting handicap. Our league Commish and Head Golf Pro will work with you to establish this. This will adjust for the first 5 weeks of league and will hold "as is" from week 6 through end of league session.

**Tees:** Determined each week by the League Commish. Women will always play from the shortest tee box.

**Divisions:** There will be two divisions established prior to the start of the league. Each division will be formed based on team total handicap and will consist of 10 teams. The winners of each division will play for the over-all championships. 2nd place finishers will compete for 3rd and 4th place and so forth.

**League Participation Fee:** \$350/per player. League Fees must be paid in full at the time of registration. Fee includes all simulator time, prizes/awards, league management, etc.
